BY-LAWS.

NAME.

ARTICLE I. This shall be called THE ILLINOIS CLUB OF THE CITY OF CHICAGO.

OBJECT.

ARTICLE II. Its purposes shall be the cultivation and promotion of literature and the fine arts, and of social intercourse.

MEMBERS.

ARTICLE III. The number of members, exclusive of non-resident, associate and honorary members, shall be limited to four hundred.

ARTICLE IV. No person shall be eligible as a member unless he be a citizen of the United States, of full age, of respectable standing in society, and of good moral character.

OFFICERS.

ARTICLE V. A President, Vice-President, Secretary and Treasurer shall be chosen at each annual meeting, and shall hold office for one year, and until their successors are elected. There shall also be chosen from its members nine Trustees. Those elected at the first election shall divide themselves into three classes of three each; one class to hold office one year, the second class for two years, and the third class for three years next thereafter. At each annual meeting thereafter there shall be chosen three Trustees to fill the class whose term will then expire. The President, Vice-President, Secretary and Treasurer, for the time being, shall be Trustees, making the whole number of Trustees thirteen.

ARTICLE VI. At the regular monthly meeting of the Trustees in February, each year, there shall be appointed a committee of five members of the Club, who shall nominate a ticket for Officers and Trustees, to be voted for at the annual election. The

ticket reported by said committee shall be posted on the bulletin-board at least twenty days before the election. Any member or members may nominate other candidates for the same offices, but the names of all persons to be voted for at said election shall be posted on the bulletin-board at least five days before the election. *Provided*, however, that immediately after such posting, the Secretary shall mail to each member of the Club a copy of such original ticket, and that immediately after the time of posting opposition tickets shall have expired, he shall also mail to each member a copy of all other tickets posted.

All elections shall be by ballot, under the direction of inspectors, to be appointed by the President, and a plurality of votes shall elect.

The annual election shall occur upon the day of the annual meeting. The Inspectors of Election shall open the polls in the Club House at 5 P. M., and shall keep them open until 9 P. M., provided, however, that should there be members in line at 9 P. M.,

waiting to vote, the Inspectors shall keep the polls open for such additional time as may be necessary for those then in line to vote, before declaring the polls closed.

Immediately upon closing the polls, they shall proceed to canvass the vote, and shall report the result of same to the annual meeting at the earliest opportunity.

ARTICLE VII. The Club shall have the power of vacating the places of any or all of the Trustees, by a vote of two-thirds of the members present at a special meeting of the Club, called for the purpose of voting thereon, and of filling any vacancy so created, or occurring from any other cause, at some subsequent meeting called for that purpose.

POWERS AND DUTIES OF OFFICERS.

ARTICLE VIII. The President of the Club, and in his absence the Vice-President, shall authorize the call of all meetings of the Trustees and of the Club, and shall exercise the usual function of a presiding officer.

ARTICLE IX. The Secretary of the Club shall notify each Trustee of all the meetings of the Trustees, and each member of the Club of every meeting of the Club; issue all other authorized notices to members; make and keep a true record of all meetings of the Trustees and Club; have custody of its Articles of Organization, By-Laws and corporate seal, and conduct its correspondence.

ARTICLE X. The Treasurer shall collect and, under the direction of the Trustees, disburse the funds of the Club, and shall keep regular accounts thereof, which shall be subject to the examination of the President and Trustees. He shall submit a statement thereof to the Trustees at each monthly meeting.

ARTICLE XI. The Trustees shall have general charge of the affairs, funds and property of the Club. It shall be their duty to carry out the objects and purposes thereof, and, to this end, they may exercise all the powers of the Club, subject to the

Articles of Organization and By-Laws, and to such action as the Club may take at its special or stated meetings.

ARTICLE XII. The Trustees shall have the power to fill, until the next following annual meeting, any vacancy which may occur from death or resignation among the Officers and Trustees of the Club.

ARTICLE XIII. The Trustees shall cause to be prepared annually a detailed statement of the financial condition of the Club, showing its receipts and expenditures for the current year, the number of members, and other matters of general interest to the Club, and a statement thereof shall be printed, and a copy sent to each member fifteen days previous to the annual meeting.

ARTICLE XIV. The Trustees shall annually elect from their members a House Committee and such other committees as they shall deem expedient, to hold office during the pleasure of the Trustees.

ARTICLE XV. The Trustees shall, from time to time, make rules and regulations on

matters not determined by the By-Laws.

ARTICLE XVI. A quorum of the Trustees shall consist of seven of its members.

MEMBERSHIP.

ARTICLE XVII. Candidates for admission must be proposed by one member and seconded by another, and the member proposing a candidate shall state, in writing, the name of the person proposed, his occupation, place of residence and his qualifications for membership, and shall present same to the Secretary, accompanied by the signature of the applicant.

ARTICLE XVIII. All applications for membership received by the Secretary shall be referred by him to the Membership Committee, and upon the approval of the majority of the members of said committee, the name of every candidate, with the names of his proposers, shall be posted in a conspicuous place in one of the rooms of the Club, at least ten days before he is balloted for.

Members shall be chosen by the Trustees, and no candidate for membership shall be elected in case there are two ballots against his admission.

ARTICLE XIX. Any Trustee may, at the same meeting, move the reconsideration of a vote upon the admission of a candidate; but after an adjournment no rejected candidate shall be eligible for six months thereafter.

ARTICLE XX. Every member of the Club shall pay an admission fee of one hundred dollars, and the sum of fifty dollars as an annual subscription, payable half-yearly in advance, on the first days of May and November in each year. *Provided*, however, that ten per cent of the annual subscription shall be applied to the promotion of Art in the Club, and that such a proportion of the annual subscription shall be applied to the reduction of the bonded indebtedness as is considered for the best interests of the Club by its Board of Trustees.

ARTICLE XXI. Every person elected shall, within thirty days after being informed thereof by the Secretary, pay to the Treasurer the amount of his admission fee, and a proportion of the semi-annual dues corresponding to the unexpired portion of the current half-year (no notice being taken of the fraction of a month), and sign the By-Laws, and shall then, and not otherwise, be a member of the Club.

ARTICLE XXII. The Trustees may, in their discretion, remit the dues of members absent from the city for a term not less than twelve months consecutively, upon their application.

Members removing from the city may, upon giving notice to the Secretary, retain their membership by paying an annual subscription of ten dollars during such non-residence.

Non-residents who shall become members of this Club shall be required to pay an admission fee of fifty dollars, and an annual subscription of ten dollars.

Any member or ex-member living in the suburbs, or residing upon or hereafter removing to the east side of the Chicago river or of the north branch thereof, may retain or renew his membership by the payment of an annual subscription of ten dollars. Members coming under this description shall be known as associate members, but shall not be eligible to office or have any voting privilege or interest in the property of the Club. The annual subscription of associate members shall be payable on the first day of May.

ARTICLE XXIII. The Trustees shall have power, by vote of a majority of its members, to forfeit the membership of any member who shall neglect to pay his annual subscription for more than three months, or any other indebtedness to the Club on demand.

ARTICLE XXIV. The Board of Trustees shall have power to suspend or expel any member for conduct on his part likely, in the opinion of the Trustees, to endanger

the welfare, interest or character of the Club, or for default of payment of dues or other indebtedness. But no member shall be expelled, whose dues are fully paid, until an opportunity has been given him to be heard before the Trustees in his defense.

ARTICLE XXV. Any member whose annual dues are fully paid may resign his membership, but any member ceasing to be a member of the Club, through resignation or otherwise, shall forfeit all right and interest in the property of the Club.

HONORARY MEMBERSHIP.

ARTICLE XXVI. Honorary members may be admitted by the vote of the Trustees, and shall have the liberty of the Club House, but shall not be entitled to be present or vote at the business meetings of the association, or have any right to or in its property and effects.

ARTICLE XXVII. Any clergyman in good standing may be admitted by vote of the Trustees as an honorary member for the

term of one year, and shall not be required to pay an admission fee or semi-annual dues.

RESTRICTIONS.

ARTICLE XXVIII. Games may be played in the rooms designated by the Trustees, but all betting shall be strictly prohibited.

FUNDS.

ARTICLE XXIX. All funds and moneys belonging to the Club shall be in the name of The Illinois Club of the City of Chicago.

MEETINGS.

ARTICLE XXX. The annual meeting of the Club shall be held on the first Monday of April in each year.

ARTICLE XXXI. A special meeting of the Club may be called at any time by order of the President, with the approval of three Trustees. A special meeting shall be called by the Secretary whenever the President or Vice-President shall be thereunto requested

in writing by twenty-five members, setting forth the purpose of such meeting. At any such special meeting no business other than that specified in the call shall be considered, except by unanimous consent. At least ten days' notice shall be given to the members of all meetings of the Club.

ARTICLE XXXII. The Trustees shall hold monthly meetings on the second Thursday of each month.

ARTICLE XXXIII. Special meetings of the Trustees may be called by order of the President, or, in his absence, of the Vice-President.

NOTICES.

ARTICLE XXXIV. All notices shall be sent to such address as shall be left with the Secretary. If no address is so given, such notice shall be sufficient if addressed to the member at his last known place of residence.

AMENDMENTS TO THE BY-LAWS.

ARTICLE XXXV. To amend the By-Laws, an affirmative vote of two-thirds of the members present at a general or special meeting shall be requisite.

ARTICLE XXXVI. No proposition to amend the By-Laws shall be submitted to the Club for action thereon, which has not been submitted in writing to the Secretary by at least twenty-five members, or has received the approval of a majority of the Trustees at a regular meeting of the Board. In either case the Secretary shall cause the proposed amendment to be printed and distributed to the members at least three weeks before the meeting at which action is to be taken thereon, and at the same time with the notice of such meeting.

HOUSE RULES.

HOURS.

The Club House will be open for members every day at 8 A. M. After midnight no member shall be admitted. The house shall be closed at 12 o'clock on Saturday nights.

VISITORS.

The Secretary, upon the written application of a member, may grant permission to personally introduce, as a visitor, for one day only, a resident of the City of Chicago; but the same individual shall be limited to one visit in the course of one year. The name of the visitor so introduced shall be recorded in the Visitors' Book.

A member may personally introduce a non-resident to the rooms of the Club for a period of two weeks, by recording the name of the stranger, with his own, in the Visitors' Book; but no member shall have more than one guest at a time. Forms of

request for cards of invitation, admitting non-residents to the privileges of the Club for two weeks, may be had at the office.

Members introducing strangers into the Club will be considered responsible for their conduct while in the House, and for any debt that may accrue on their account.

LADIES' DAY.

The Club House is open on Friday of each week from 9 A. M., to 6 P. M., to the Ladies of the families of members and their invited lady guests, under the same restrictions as members introducing visitors.

INDEBTEDNESS.

Any member using the District Telegraph shall note, upon a blank provided for that purpose, the date, hour called, and service, and shall hand the blank, signed by him, to the Steward. The charge for use will be made when the Telegraph Company's bill is presented, if not paid to the messenger at the time of service.

Members should discharge all indebtedness to the Club before leaving the House.

For the purpose of calling the attention of members to such indebtedness remaining unpaid, a notice will be mailed every second Monday, that the same may be immediately paid and if not paid will be referred to the Board of Trustees for action.

Glass, crockery, or other property of the Club, broken or injured, must be promptly paid for by the member responsible for the accident.

RESTRICTIONS.

No member, guest or visitor shall give any money or gratuity to any servant of the Club.

No subscription paper can be circulated, nor any article exposed for sale in the Club House, without the permission of the House Committee.

No book, pamphlet, newspaper, or other property of the Club, shall be mutilated or removed from the Club House.

Overcoats, hats, umbrellas and canes must be deposited in the place provided for them.

Smoking will not be permitted in the parlors.

Liquors will not be served in the parlors.

Dogs will not be allowed in the Club House.

GAMES.

No member shall occupy the billiard tables or bowling alleys for continuous games, to the exclusion of others desiring to play.

No games of billiards or pool or bowling shall be played after midnight.

COMPLAINTS.

Members are required to make all communications in writing of any suggestions or complaints regarding correction or reform in the Club management, and leave the same with the Secretary.

The Steward is required to notify members of any violation of these rules, and report the same to the House Committee, whose duty it is to see that they are complied with, and to take immediate cognizance of any infraction.
